#### How to Complete Your DBS Application

This guide explains how to access and complete your Disclosure and Barring Service application via the Atlantic Data portal, including how to verify your identity, either digitally or through a virtual appointment.

#### **Step 1: Start Your Application:**

You will receive an email from <u>DBS@uos.disclosures.co.uk</u> with the subject: "Disclosure and Barring Service Application":

Step 2: Activate Your Account:

When you access the Atlantic Data portal for the first time, you need to activate your account.

a. Enter your email address and date of birth.

Important: You must use same email address the invite was sent to. The system will not let you proceed if you use a different email address.

- b. Create a password:
  - Between 9 and 30 characters
  - Must contain at least one letter, one number, and one special character

Once activated, you can log in using the username provided in the initial email and the password you have just created.

## **Step 3: Check Your Personal Details**

When you have successfully logged into your account, you will see the following information screen:
